2X Box Spring Encasement

Double The Strength!

Double the durability, double the protection with the Sleep Defender 2X Box Spring Encasement. The unique, double ply, non-woven material adds strength and durability far superior to other box spring encasements.

Featuring a high tech, spunbond polypropylene substrate, the Sleep Defender 2X Box Spring Encasement offers superior air filtration while providing long lasting protection against bed bugs, dust mites and other allergens.

Twice The Thickness.

Twice The Durability.
