Easy King® Bed Doubler

Turn 2 Twin Beds Into 1 King Bed!

Give your customers the option to instantly combine two independent twin beds into one large bed with the innovative and patented Easy King. Everything you need in one smart package, the new Easy King even comes with an optional support filler pad. Easily adjustable, it features a 2" wide connecting safety belt that wraps around the mattress sides, securing the two mattresses together. Washable, lightweight and non-allergenic, the new Easy King fits all twin mattresses including twin XL, and come with a 5-year replacement warranty against defects.

Bed Doublers Are Ideal For:

Older Buildings That Cannot Accomodate A King Size Bed Due To Narrow Stairs Or Elevators.

Use At Timeshares And Vacation Rentals That Have Twin Beds.

Easy King Bed Doubler System			
PRODUCT	SKU#	CASE QTY.	CASE WEIGHT
Easy King	65839	12	14 lbs.

Custom Size Solutions Always Available

Simply Buckle It!

The extra filler pad is needed for mattresses that have a crown or pillow top, and require more fill in the center where the beds join.
