

Sofa Sleeper & Pillow Encasements

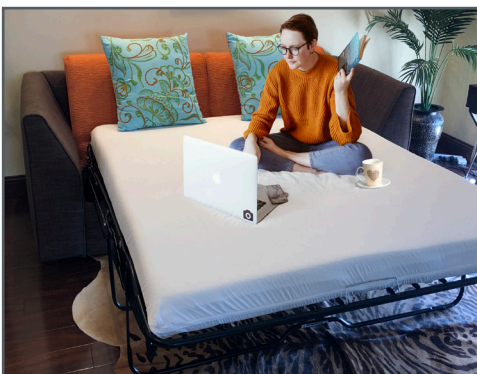

Encasements To Protect Every Sleeping Surface.

Features & Benefits

- Laboratory Tested & 100% Effective Against Liquid Stains, Molds, Mildews, Fungi, Viruses, Odors, Dust Mites, Allergens And Bed Bugs Penetrating The Mattress.
- Extends The Life Of The Pillow Or Sofa Mattress As Much As 30%.
- Backed By A 10-Year Or 300 Washings/Dryings Limited Warranty.

Pillows, even when covered by a pillowcase, collect body oils, skin flakes, perspiration and drool, which attract odor-causing bacteria, molds, mildews and dust mites, a leading cause of allergies and asthma. Ensure that your guests always awaken feeling fresh and allergen free with our full line of pillow and mattress encasements.

Each features a high quality polyester interlock that provides a cool, comfortable, quiet sleeping surface for guests. Backed with the industry's best waterproof film barrier, the Sleep Defenders protect against liquids, stains, dust mites, bed bugs, viruses, bacteria and molds and can double the usable life of your investments. Create a truly hypollergenic sleeping environment easily.
