- Class 1 Medical Device
- Certified ASTM-F1671 and ASTM-F1670
- Industry's Highest Breathability Rating.
- Laboratory Tested For Industrial Washings In Hot Water Up To 140° F
- Laboratory Tested 100% Effective Against Liquid Stains, Mold, Mildew, Viruses, Odors, Dust Mites, Allergens, And Bed Bugs.
- Locking Bed Bug Proof Zipper And Closure.
- Backed By A 10-Year Or 300 Washings/Dryings Warranty Against Defects.

Unlike difficult-to-install, traditional encasements that provide only a zipper at the bottom, the affordable EZ3 Knight is packed with features offering absolute protection. The EZ3 Knight uniquely opens fully on three sides to allow for easy installation and removal.

EZ3 zips up on three sides for easy installation

Simply roll back the top, place the mattress, and then re-zip the mattress encasement.

Made of soft polyester interlock knit and coated with a high temperature polyurethane film, the EZ3 Knight was designed and laboratory tested specifically to meet the stringent demands of the hospitality industry. The EZ3 Knight Mattress Encasement provides a comfortable, noiseless, and long lasting layer of security to protect your mattress.

For 9" - 12" Depth Use 409 Series

EZ3 Knight 12" - 14" Mattress Encasement
