EZ3 Knight Encasement

Opens Fully On 3 Sides!

This affordable encasement is packed with features and guarantees absolute protection. The EZ3 Knight uniquely opens fully on three sides to allow for easy installation and removal. Simply open the 3 sides and roll the top back. Place the mattress on top and then re-zip the 3 sides. Made of soft polyester interlock knit and coated with a high temperature polyurethane film, the EZ3 Knight provides long lasting wear.

Laboratory tested for bed bugs and high temp washing, the EZ3 Knight includes a unique Zipper Lock System to give double assurance bed bugs will not be able to get in or out of the encasement. Designed specifically to meet the stringent demands of the hospitality industry, the EZ3 Knight Mattress Encasement provides a cool, comfortable, noiseless, ventilated layer of security to protect your mattress.

The EZ3 Opens Fully On Three Sides For Easy Installation.
