Our adjustable pillow offers your guests a three comfort levels in just one luxury pillow. Customize from firm to medium to soft support using our unique zipper system!

With our pillow, there is no need to remove anything from the inside of the pillow to get the desired comfort. For firm support, simply zip both sides. For medium support, un-zip one side. For soft support, un-zip both sides. It's that easy!

Machine wash cold with similar colors in a large capacity machine on gentle cycle. Use only non-chlorine bleach when needed. Tumble dry, medium setting, remove promptly.
